- 
Palm leaf blades have been carefully crafted to provide elegant cooling while capturing the essence of the tropics, available in Brown, Natural and White finishes.
- 
Tried and true AC motor technology with a 188x20 AC silicone steel motor to provide the high torque and power needed to spin five stunningly detailed tropical blades, for effective cooling when you need it.
- 
Moulded aerodynamic blades are crafted from polymer (a high-grade plastic) which are durable, easy to clean as well as being safer and quieter than metal blades.
- 
18W Dimmable LED Light Kit is available to add to the Tropicana ceiling fan, for those times you need your ceiling fan to also be a light source.
- 
Enjoy whisper-quiet cooling, thanks to the premium polymer blades, so you can relax and stay cool with less wind noise in your tropical oasis.
- 
Perfect for both Indoor & Outdoors so you can maintain your decor style from your living room through to your alfresco outdoor area.

Mi Remote Control

The Mi Remote Control is a modern and stylish remote control solution for your ceiling fan and light that provides three fan speeds and light control with optional dimming support.

Downrods

For high ceilings, consider a longer downrod to help bring your ceiling fan lower and improve performance.
